Report of Principal and School Improvement Council

During 2012-13, Blythewood High faculty, staff and students completed another outstanding school year. Our school downsized to approximately 1600 students with the opening of another district high school. Students and staff supported the Blythewood community through participation in events such as the Blythewood Tournament of Bands, Breast Cancer Awareness activities and Special Olympics. Student-led service initiatives continued to support community agencies and activities including the Souper Bowl of Caring, Relay for Life, Children's Garden, God's Storehouse, Sister Care, Hidden Wounds, SCDSS foster children, and other fundraising efforts. Our school musical was very successful with collaboration from drama, music and building construction programs.

Blythewood High School received Palmetto Gold status for overall performance from the South Carolina Department of Education. Our school was home to 28 national board certified teachers. Our Teacher of the Year was named Richland Two's Teacher of the Year. We had one National Merit Scholar and one National Achievement Scholar. The Blue Legion Band advanced to the 4A state championships. Students and staff planned exchange programs with colleagues from Germany and Colombia. We sponsored a Columbia to Colombia program with great success where teachers and students had the opportunity to experience another community and school culture. Members of our culinary arts program traveled to Australia as part of an exchange program with support from local Rotarians. These initiatives with global partners allow educators and students to pursue meaningful conversations across cultural boundaries.

Blythewood High sports teams earned nine region championships including titles for football, volleyball, boys' bowling, girls' bowling, boys' golf, girls' soccer, softball, baseball and girls' tennis. Our baseball team was the Upper State Champion and Blythewood High is home to the South Carolina state champion for the 100 meter as well as the relay team which won the state championship in the 4 X 100. Individual and group programs and competitions for students recognized Blythewood students in the visual arts, drama, band, orchestra, Future Business Leaders of America and Health Occupation Students of America. Our extracurricular program provided opportunities for one hundred percent of our students to participate in school activities.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
